200 **Trusting is Believing**

Trust-ing is be-liev-ing that God will keep His Word, And

trust-ing is be-liev-ing your ev-'ry prayer is heard. And

trust-ing is let-ting God know that you're de-pend-ing on

Him; It's feel-ing His for-give-ness with-in. with-in.

Trust-ing is be-liev-ing that God could care for you, And

trust-ing is be-liev-ing just as a child would do. It's like

giv-ing your hand to Je-sus and know-ing He won't let

go; I'll trust Him be-cause He loves me so.
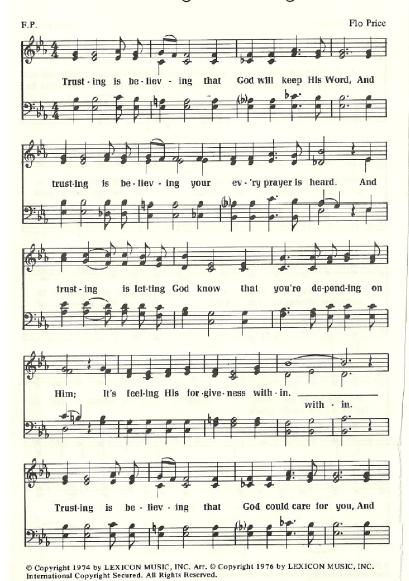

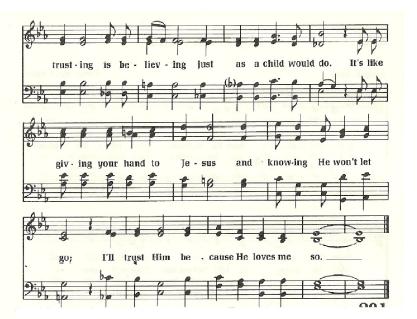

Trusting is Believing

Trusting is believing God's promises are true.
And trusting is believing God's listening to you.
And trusting is letting God show that steadfast lo-ve for you.
It's feeling God's forgiveness anew.

Trusting is believing that God could care for you,
And trusting is believing just as a child would do.
It's like giving your hand to Jesus
And knowing he won't let go;
I'll trust him because God loves me so.
